Newport Newport Public	Accommodation of Interests and Abilities	Data submitted by school indicates that it has not met the standard established in any of the three opportunities tests during any of the past three school years.	On or before March 1, 2007, the school is to submit corrected T-1, T-2, T-3, and T-4 forms for the 2005-2006 school year. If the standard for at least one of the three tests is not met the school is to submit a written plan detailing the participation opportunities that will be added during the next school year.	T-1, T-2, T-3 and T-4 forms submitted. New documentation indicates that school is meeting the standard established in Test #3 for provision of athletic opportunities. Documentation approved on 2-16-07.		No further action required at this time.
	Equipment and Supplies	School data indicated it was spending more than twice as much for equipment and supplies for male teams as compared to female teams. It had no written plan for review/replacement of uniforms.	On or before March 1, 2007 school is to submit a written plan for the review, rotation and/or replacement of athlete uniforms on an equitable basis.	Written guidelines for uniform review/rotation and/or replacement have been received by KHSAA on 2-16-07. Guidelines appear satisfactory.		No further action is required at this time.
	Support Services	Data submitted by the school indicated a large disparity in spending for total athletic support.	On or before March 1, 2007 the school is to submit to the KHSAA a written plan for oversight of spending for athletic support. The plan is to include both school and booster funds.	Written purchase plan received by KHSAA on 2-16-07. The plan appears to be satisfactory. Plan states that the school currently has no active athletic booster clubs.		No further action is required at this time.
